Kathy Petersen, Chair of the Women's Committee, Local 839

The Women's Committee from Local Lodge 839 collected cell phones and chargers from members during the month of April. The cell phones were donated to the YWCA Women's Crisis Center. The center works with cell phone companies to program the phones with 911 access. A total of 56 phones were collected from District 70 and Local Lodge 839 members! The Women's Committee would like to thank everyone who took the time to drop off their old phones at the Local Lodge in support of this effort to empower women by giving them access to emergency services. A big, heartfelt hug goes out to all of our Brothers and Sisters!
