

IAM LOCAL LODGE 839 WOMEN'S and HUMAN RIGHTS COMMITTEE

MISSION STATEMENT

The Women's and Human Rights Committee is established to provide a valuable service to the IAM and to our membership by developing goals and objectives which we shall uphold in order to encourage the involvement and participation of all people in our union. We shall promote and endorse the principles of equality, education, communication and political activism in conjunction with the values of the International Association of Machinists and Aerospace Workers.

GOALS AND OBJECTIVES OF THE WOMEN'S and HUMAN RIGHTS COMMITTEE

1. Raise issues of special concern to women and develop strategies to address these issues.
2. Educate and prepare women to publicly support legislation that benefits women and children.
3. Organize women throughout the workplace and the within the state of Kansas.
4. Encourage and educate women to run for public office in order that they may promote and endorse labor friendly legislation.
5. Build strong and effective communications skills in order to express our issues to our membership and convey confidence when speaking publicly.
6. Communicate the values of equality and true unionism.
